Re: Schulz et al., v. State of New York, et al
Case number 07-943

Dear Sir:

Pursuant to the Order by Judge Homer, dated October 30, 2007, I am enclosing for filing the originals of the "Plaintiffs' Agreement to Simplify Service," together with a spreadsheet and a Certificate of Service.

The spreadsheet shows all Plaintiffs have signed the Agreement with the exception of Eddie Craig from Texas, who has not responded to numerous attempts by other Plaintiffs to contact him by phone and email. The spreadsheet also shows one Plaintiff (Robin Bailey from Kansas) modified the Agreement before signing it. She agrees with the procedure with one exception. Her signature on Plaintiffs' submissions to the Court will be an original rather than electronic signature (filed in counterpart).

Thank you for your attention to this matter.

Yours truly,

Robert L. Schulz

PLAINTIFFS' AGREEMENT TO SIMPLIFY SERVICE

I, **ROBERT L. SCHULZ**, declare under penalty of perjury:

I am a Plaintiff in the case *Robert L. Schulz et al., v. State of New York, et al.*, Case Number 07-cv-943, United States District Court for the Northern District of New York.

I agree to the following:

1. Lead Plaintiff Robert L. Schulz will function as liaison between the Court and all remaining Plaintiffs, including myself.
2. Plaintiff Schulz may maintain a file of electronic signatures for all Plaintiffs, including mine.
3. Plaintiff Schulz will prepare the initial draft of all pleadings required of Plaintiffs. He will email each proposed pleading, together with an "Approval Form" to all remaining Plaintiffs, including myself. The Approval Form will provide a space for me to indicate my approval or my reasons for withholding my approval. Only after I am satisfied with the content of the pleading and have furnished Mr. Schulz with my approval is Mr. Schulz authorized to apply my signature, electronically to the pleading. If Mr. Schulz does not receive my approval within 72 hours of my receipt from him of the draft pleading, but he has received approval of the proposed pleading from at least a two-thirds majority of the Plaintiffs, he has my permission to apply my electronic signature to the proposed pleading. Mr. Schulz will file the pleading with the Court in the conventional fashion.
4. Mr. Schulz will create two dedicated Internet locations for this lawsuit as soon as possible for the use of the Plaintiffs and all interested parties. On the first of the two dedicated Internet locations, Mr. Schulz will emulate the functionality of the PACER Docket for this case. On the second dedicated Internet location Mr. Schulz will post a copy of each of the proposed Plaintiff pleadings that he has emailed to all remaining Plaintiffs.
5. Any document posted on PACER by the Court or Defendants will be promptly captured by Mr. Schulz and posted on the PACER emulated dedicated Internet location. All Plaintiffs, including me will be immediately notified by email of each new document posted to either of the two dedicated Internet locations.
6. It is my understanding that the Court and each Defendant and or PACER will notify Mr. Schulz of each new PACER filing.
7. With this procedure, I waive the normal requirement to receive hard copies of any and all documents from the Court, the Defendants and from Mr. Schulz.

Mr. Schulz will file the pleading with the Court in the conventional fashion.
4. Mr. Schulz will create two dedicated Internet locations for this lawsuit as soon as possible for the use of the Plaintiffs and all interested parties. On the first of the two dedicated Internet locations, Mr. Schulz will emulate the functionality of the PACER Docket for this case. On the second dedicated Internet location Mr. Schulz will post a copy of each of the proposed Plaintiff pleadings that he has emailed to all remaining Plaintiffs.
5. Any document posted on PACER by the Court or Defendants will be promptly captured by Mr. Schulz and posted on the PACER emulated dedicated Internet location. All Plaintiffs, including me will be immediately notified by email of each new document posted to either of the two dedicated Internet locations.
6. It is my understanding that the Court and each Defendant and or PACER will notify Mr. Schulz of each new PACER filing.
7. With this procedure, I waive the normal requirement to receive hard copies of any and all documents from the Court, the Defendants and from Mr. Schulz.
