**Correspondence:** Just received your letter today regarding the CD and letter that we left in your Blue Springs office on June 30th. We got the reply we expected you would send. You avoided the whole point of the redress of grievances. It has nothing to do with taxes and everything to do with the unconstitutional way the US government is being run today. Of course, you knew this too so you took the easy way out. Your scare tactics are a bit neanderthal, so are your methods of dealing with your everyday job. Looking forward to seeing you replaced. Very truly yours, Ray & Elaine Herron PS: Your reply will be forwarded to the We The People Foundation and to the ACLU.
